In April, we will celebrate Spring with many projects, stories, and activities. We will continue to review both lower and uppercase letters through games, activities, and written work. The children will continue to practice writing, recognizing, and counting 1 to 20. The boys and girls have been trying hard to remember their addresses with zip codes, phone numbers, and how to zip their coats. Please reinforce these at home. They are important to know before your child enters kindergarten.

Sincerely,
Lisa Caprara and Samantha McDonough

Extended Day Class- This month we will focus on our community and the world around us. We will begin going more in depth and expanding on our Rain forest unit which will conclude in May.

Needed: We can always use **3 oz. plastic cups** for snack time. Thank you for your donations and for being so faithful bringing snacks.

Note Concerning Kindergarten For Next Year

If your child will be going to kindergarten in the fall and you have not received any literature from your school district, you should give them a call.
