CURRICULUM NEWS

January is a good time to remind you that all children are different and their levels of achievement will not be the same. Our goal is to present the material and to have each child take as much from it as he/she is ready to receive without feeling frustrated. A good self-image and attitude toward school is much more important than being forced to learn things when a child is not ready. That being said, progress reports will be sent home on January 19.

(OVER)

This month's themes include Winter, Polar Animals, Taking Care of Our Bodies, and the 5 senses. We will also look at winter weather and how it changes nature.

Please Dress your child for the following color days:

Wednesday, January 3- White

Wednesday, January 24- Gray

ENRICHMENT ACTIVITIES

After progress reports are sent out, our class will focus on numbers 12, 13 and 14 and letters M,N,O, including lower case and letter sounds. We will switch to using upper and lower case letters this month, so please remember to incorporate that when you practice at home. We will slowly start adding sight words into our writing: for example, on, off, boy, girl, go, stop etc. They are basic words that the children may frequently see. Also, this month our class will begin practicing our phone numbers and addresses, which is important to know for kindergarten.

Many fun learning centers, games, and activities continue to be provided that promote math, reading and social skills.

THANK YOU, THANK YOU, THANK YOU!

We sincerely appreciate all of the food you donated to our food pantry and toys to Toys for Tots.

GERM CONTROL ALERT

Would you please consider sending in a container of Clorox wipes to help us fight germs on our toys and tables?

Thank You!

SNOW POLICY: Look for Cross Roads Preschool on your TV or Internet for any cancelations or delays. It will read "10AM Start".

This means:
