Dear Parents:

Is it Spring yet?

In February, we will be enjoying all of this month's holidays with books, crafts, songs, and other activities. We will celebrate Groundhog Day and Valentine's Day. We will also be starting a short Nursery Rhyme unit. There may be days that your child will not bring home a craft. We are saving some of these to hang in the hallway. We want to show off the great work they do. Make sure you stop to look at your child's artwork.

(over)

We will continue to review A-O with games and activities while we introduce P, Q, R, S, and T. Please review these letters at home.

We will also review 1, 2, 3, 4, 5, and 6, and introduce 7 & 8. We will concentrate on the heart shape since it goes along with Valentine's Day and reinforce shapes. We have been learning about things that are alike or different as well as objects that are smaller and larger.

We encourage your child to develop independence—cutting without assistance, writing his/her name and many other simple tasks. One area you could reinforce at home is putting on his/her own coat. That is a big step, but one that your child will be proud to accomplish and one that really helps the dismissal process.

We will celebrate Valentine's Day on Tuesday, February 13<sup>th</sup>. The children may bring Valentines and treats if you like, for their classmates. PLEASE DO NOT PUT NAMES ON ENVELOPES.

Sincerely,  
Lisa Caprara, Mrs. McDonough and Ms. Katis

**Directors Notes:**

**Thank you to all who came out to the Italian Buffet Jan. 27<sup>th</sup>. We hope you enjoyed Your child's art work and the delicious dinner!**

**Check out our new website! We have been working hard and it's almost done! We will be adding staff information as well as more Kids Day Out information! Stay Tuned!**

**And please continue to check us out now on FaceBook! We are working to keep pictures current and fun!**

**Reminder: Morning Class ends at 11:30 and Afternoon classes end at 3:00. If you are running late your child will be taken to the Kids Day Out room and cared for, until you arrive. You will be responsible for any fees incurred. Thank you**

We are all aware of the public health concerns generated by the outbreak of the flu in the United States. It has been heavily covered in the news. We are doing many things here to prevent the spread here at the preschool. Including washing hands frequently, encouraging children to use a tissue and cough into their elbow when sneezing and coughing. We also are washing down toys and cleaning common surfaces. If you would like to volunteer to help in these efforts please see me.

It is Preschool Policy that children must be vomit and fever free for 24 hours before returning to school.

**Please DO NOT bring your child to school if they:**

- **Have a fever (your child should be fever free, without Tylenol, for 24 hours.)**
- **Are beginning a cold**
- **Are coughing and sneezing**
- **Have vomited or had diarrhea that morning or the evening before.**

**Please notify the school office whenever your child has a contagious illness.**

**Thank you for helping us keep Cross Roads Preschool Healthy!**
