Thursday, February 8- Open Registration at 9:00 AM in the Preschool Office.

If you have friends or relatives who are looking for a Preschool, please encourage them to come or visit. Your recommendation is our best advertisement!

Curriculum News

February can be a month of unpredictable weather and we will check in with Punxsutawney Phil to see if Spring will come early or not. As the class begins to practice their addresses, they will get to send a Valentine in the mail. A letter carrier will even stop by to pick them up. Other themes include: Transportation, Neighborhood Helpers, President's Day and Space.

The Valentine's Day celebration is on Wednesday February 14. If you wish to send cards or treats, there are 16 children in the morning class, and 13 children in the afternoon class. Please remember the no nut policy. Thank you.

Please dress for this Color Day: Wednesday, February 14- pink/red.

Wednesday, February 28- Black

Enrichment Activities

With the start of the New Year comes our desire to fine tooth the children's learning in preparation for kindergarten, for those that will go. We have begun to print with lowercase letters, count to 20 or higher, and are practicing phone numbers. We will slowly start adding in a few large group activities here and there that really focus on following directions. This is an important skill for kindergarten. Letters studied this month are Pp, Qq, Rr, and Ss. We will also start introducing the teen numbers. These are the hardest for children to learn so give them plenty of practice and encouragement at home. We will also continue patterning, letter sounds, easy sight words and adding number sets.

Thank you for all the classroom donations.

We really appreciate our wonderful families! 3oz. **plastic** drinking cups and napkins are always needed and helpful.

Are you looking for a way to help your child prepare for more and longer Kindergarten Days? Adding Kids Day Out would allow your child to get used to the idea of eating lunch with their friends as well as the adjustment of becoming more self-sufficient. See Ms. Bridget if you would like to have your child extend their day.

Directors Notes:

Thank you to all who came out to the Italian Buffet Jan. 27th. We hope you enjoyed Your child's art work and the delicious dinner!

Check out our new website! We have been working hard and it's almost done! We will be adding staff information as well as more Kids Day Out information! Stay Tuned!
www.crossroadspreschool.com

Reminder: Morning Class ends at

11:30 and Afternoon classes end at 3:00. If you are running late your child will be taken to the Kids Day Out room and cared for, until you arrive. You will be responsible for any fees incurred. Thank you

We are all aware of the public health concerns generated by the outbreak of the flu in the United States. It has been heavily covered in the news. We are doing many things here to prevent the spread here at the preschool. Including washing hands frequently, encouraging children to use a tissue and cough into their elbow when sneezing and coughing. We also are washing down toys and cleaning common surfaces. If you would like to volunteer to help in these efforts please see me.

It is Preschool Policy that children must be vomit and fever free for 24 hours before returning to school.

Please DO NOT bring your child to school if they:

- **Have a fever (your child should be fever free, without Tylenol, for 24 hours.)**
- **Are beginning a cold**
- **Are coughing and sneezing**
- **Have vomited or had diarrhea that morning or the evening before.**

Please notify the school office whenever your child has a contagious illness.

Thank you for helping us keep Cross Roads Preschool Healthy!
