Note Concerning Kindergarten For Next Year

If your child will be going to kindergarten in the fall and you have not received any literature from your school district, you should give them a call.

Dear Parents:

Happy Spring! Wow, it is so hard to believe that we have only two months left in our school year.

March has kept us busy. We started the month celebrating Dr. Seuss's birthday by wearing "funny hats" and eating "green eggs and ham." The green continued as our windsocks and leprechauns leaped into learning about St. Patrick's Day. We finished the month learning about the weather.

In April, We will be learning about the weather. We will also be learning about birds and bees (insects). We will continue reviewing upper and lower case letters and their beginning sounds. We have been working on rhyming words, color words, number words and opposites. In math, we will continue to practice writing and recognizing the numerals 15-17.

Also, please remember to wear **PLAY SHOES AND JACKETS** on your children so that we can use our outside play area.

Sincerely,

Lani Katis & Sue Kulasa

Needed: We can always use napkins for snack time. Thank you for the donations and for being so faithful bringing snacks.
