Enrichment Activities

We have almost gotten through our thorough teaching of the alphabet! This month's letters are Uu, Vv, ww, and Xx, The last month of class we will finish Yy, Zz and review and perfect the letters. We will also heavily stress letter sounds by rhyming words that we use each day. Dr. Suess books are a wonderful way to teach rhyming in a fun and silly way. The class is mastering the teen numbers well and we have even started adding elements of addition and subtraction to learning centers. This group of children have really caught on to so many skills that we are constantly looking for ways to enrich them. It is truly amazing!

We are gladly accepting donations of napkins at this time. Thank you as always for your support.
