HEALTH REGULATIONS

Children need to be fever and vomit free for 24 hours. If your child develops a fever or vomits while at KDO you will be contacted and they will be taken to the office to wait with an adult for you. If you have any indication that your child is not feeling well, please keep him/her home.

June 4-8 "Play with your Food"

Do What!? Yes, Paint with pudding, dance with seeds and raisins and so much more!

July 9-13 "Around the World"

Hop on our **imaginary** plane and take a trip around the world! Discover how different people live and the land that surrounds them.

August 6-10 "Finger Plays and Nursery Rhymes"

Turtles in a bathtub? Frogs on a log? Come learn and act out some forgotten rhymes and games.

PULL-UPS

If you are using pull-ups on your child, please send the ones that have side closures. The kind without side closures means that we need to undress your child to change their pull-up and it takes a lot of time out of our day. Thank you.

DAILY DIAPERS

Please remember to put a labeled diaper or pull-up in the bin by the computer for the day.

PARENT INFO BOARD

Please remember to check the parent information board for any important information.
