The teachers have created new ideas that expanded upon the morning classes' curriculum or introduce new concepts that are above kindergarten readiness skills taught in the morning. Dear Preschool and/or KDO Parent:

In order to strengthen appropriate security for your child, the Cross Roads Preschool Board, along with the entire Church, will be progressing increased security measures by implementing a newly updated security protocol in the next few months.

The first phase will involve restructuring the doors for better controlled access to the Preschool wing. The next phase will include the addition of an entry system that will enable the directors and teachers to manage facility access through video surveillance monitoring.

In order to ensure the on-going maintenance of these systems, a \$50.00 "Security Maintenance Fee" will be added to your registration application, commencing July 1, 2020 and will be assessed annually per family. We ask for your understanding and support as we take the necessary steps to enhance our children's security and protection. (Additional contributions would certainly be welcome to help offset this initial large capital expenditure.)

Please feel free to contact our Preschool Director, Kelley Rupchak, with any questions or concerns. Many thanks for your continued support of our Preschool and Kids' Day Out programs.

Best regards,

Cross Roads Preschool Board
