Dear Parents,

Is it Spring yet? In February, we will be talking about a variety of topics: Ground Hog's Day, Valentine's Day, and President's Day. We have completed our space unit with a splashdown to Mother Earth after traveling to all eight planets and the moon. It was great fun! Next, we will enjoy a unit on the ocean.

We'll continue to review the alphabet -letter recognition, naming, writing and beginning sounds. In math we'll continue working on numerals 11-20. We have also been working on opposites and rhyming.

Our Valentine's Day party will be on Friday, February 14. Your child will "deliver" Valentines to his/her friends that day. **PLEASE DO NOT PUT NAMES ON THE ENVELOPES.** Delivery is easier without them. You are welcome to send in extra Valentine treats. They can practice writing their names in lower case letters by signing the valentines. There are 14 friends in our classroom.

We will be working with the children to help them memorize their phone numbers, including area code and also their addresses and zip codes. Please reinforce this at home. They should know these when they enter kindergarten.

Sincerely,  
Lisa Caprara & Samantha McDonough

Thank you to all who came out to the Italian Buffet Jan. 25<sup>th</sup>. We hope you enjoyed your child's artwork and the delicious dinner!

**Reminder:**

**Morning Class ends at 11:30AM. Afternoon classes end at 3:00. If you are running late your child will be taken to the Kids Day Out room and cared for, until you arrive. You will be responsible for any fees incurred. Thank you**

Help us keep the sick away! Easy steps include; washing hands frequently, encouraging children to use a tissue and cough into their elbow when sneezing and coughing. We also are washing down toys and cleaning common surfaces. If you would like to volunteer to help in these efforts please see Kelley Rupchak or ask one of your teachers. It is Preschool Policy that children must be vomit and fever free for 24 hours before returning to school.

**Please DO NOT bring your child to school if they:**

- **Have a fever (your child should be fever free, without Tylenol, for 24 hours.)**
- **Are beginning a cold**
- **Are coughing and sneezing**
- **Have vomited or had diarrhea that morning or the evening before.**

**Please notify the school office whenever your child has a contagious illness.**

**Thank you for helping us keep Cross Roads Preschool Healthy!**
