Open Visitation Night and Registration for 2020-2021

7:00PM-8:30PM Preschool Hallway and Fellowship Hall

This month will be a busy one for the children. In addition to discussing the winter season and its activities and characteristics, we will start a unit on the solar system. As we blast off into 2021, we will take the children on an imaginary voyage through space. We will visit each planet, the moon, and some of the constellations and then make a special return trip to Mother Earth.

We will practice recognition, printing, and sounds of the letters Ss, Tt, Uu and Vv through hands-on games, papers, and workbook activities. We will continue copying words to practice letter formation.

In math, we will continue to concentrate on the recognition and printing of the numerals 11-20. The children will continue to practice counting as high as 31 to include all of January's days. We will also continue working with the order of items (1st, 2nd, and 3rd).

We will be working on helping the children learn their phone number and address. Please review this at home since they will need to know this for kindergarten.

After evaluating each child individually, we will send home a progress report home on January 13. Be sure to schedule your Parent/ Teacher Conference to discuss your child's progress and readiness for kindergarten.

In our extended day this month, we will focus on measuring, volume, length and mass. We will also continue our unit about Space in the afternoon class.

Thank you,

Lisa Caprara and Samantha McDonough

(OVER PLEASE)

P.S. If you have any large (1 inch or larger) buttons, we would appreciate it if you would send them in for some crafts. Thanks!

THANK YOU, THANK YOU, THANK YOU!

We sincerely appreciate all of the food donated to our food pantry.

GERM CONTROL ALERT

Would you please consider sending in a container of Clorox wipes or an aerosol bottle of 7th Generation or other no rinse spray cleaners to help us continue to fight germs on our toys and tables?

SOCCER SHOTS

Soccer Shots will be visiting our Preschool on January 5th and 6th during your child’s time at “Bikes”.

Soccer Shots has been an extracurricular event available for several years now here at the preschool. They hold sessions on Fridays from 11:40-12:15PM So your child can attend regardless of AM or PM preschool scheduling. All Day Enrichment Students, unfortunately cannot take part in this program.

Soccer Shots is not directly affiliated with Cross Roads Preschool, however works hard to fit into our programming. If you are interested in signing your up child please go to:

<https://pittsburgh.soccershots.com/pd/2337/cross-roads-preschool> for more information. We do maintain coverage for your child from 11:30-11:40 if your child is leaving preschool, or 12:15 to 12:30 or coming to class afterwards.

SNOW POLICY: Look for Cross Roads Preschool on your TV or Internet for any cancelations or delays. It will read “10AM Start”.

This means:

**Morning Class will meet from 10-12pm.
Extended Day will meet from 10-3:00pm**
