Wishing you a Happy 2021,

In January, we will continue to have the children cut, color, paint, and do other activities to help develop their fine motor skills. We will concentrate on having them try to copy their names. Some of the children are already trying to do this. We will provide practice for those who can and guidance for those who are still working on letter formation and order. While reviewing A-I, we will introduce J,K and L. We will provide opportunities to recognize and form each letter. Many games and activities we do emphasize letter recognition. The children are following along very well. They get especially excited when the letter of the day is in their name.

We will review 1-6, and circle, square, triangle, and rectangle. We will continue to emphasize sharing and being kind to school friends and using good school manners and words. We will be doing a general evaluation of your child's skills this month and will recommend the best program for your child. They will be recommended for either the 4 Year Old 3 Day Class or one of our Enrichment Classes.

4-year old 3 day program – This class is for children who will potentially be going on to Kindergarten the following year and whose skills are still developing.

3 Day Enrichment Program half day or full day– This class is for children who will be going on to Kindergarten the following year and whose skills are well developed.

4 Day Enrichment Program This class is for children who will be going on to Kindergarten the following year and whose skills are well developed.

Placement also depends on your child's maturity level and when they will definitely be old enough to start kindergarten. Most school districts will require the child to be 5 by Sept. 1 of that school year. Both of the 4 Year Old 3 day programs and the Enrichment programs will prepare your child for kindergarten. We will discuss recommendations at our Parent/ Teacher Conferences on January 19th and answer any questions.

Please check the extra clothes in your child's back pack and make sure they are the correct size. (Just in case there is an accident).

Sincerely,
Lisa Caprara and Samantha McDonough

THANK YOU, THANK YOU, THANK YOU!

We sincerely appreciate all of the food you donated to our food pantry.

GERM CONTROL ALERT

Would you please consider sending in a container of Clorox wipes or an aerosol bottle of 7th Generation or other no rinse spray cleaners to help us continue to fight germs on our toys and tables? We can also use 3oz. plastic drink cups.

Thank You!

SOCCER SHOTS

Soccer Shots will visit our Preschool on January 5th and 6th during your child's time at "Bikes". Soccer Shots has been an extracurricular event available for several years now here at the preschool. They hold sessions on Fridays from 11:40-12:15PM So your child can attend regardless of AM or PM preschool scheduling. Soccer Shots is not directly affiliated with Cross Roads Preschool, however works hard to fit into our programming. If you are interested in signing your up child please go to: <https://pittsburgh.soccershots.com/pd/2337/cross-roads-preschool> for more information. We do maintain coverage for your child from 11:30-11:40 if your child is leaving preschool, or 12:15 to 12:30 or coming to class afterwards.

SNOW POLICY: Look for Cross Roads Preschool on your TV or Internet for any cancelations or delays. It will read "10AM Start".

This means:

Morning Class will meet from 10-12pm.
