Dear Parents:

Thank you for all the Valentine treats! In February, we practiced first and last names, addresses, and telephone numbers with the children. We encourage you to reinforce these at home. The children should know these three items when entering kindergarten.

March offers many opportunities to cover a variety of topics. It is also the month that we will be seeing a lot of the color green—green eggs and ham, green shamrocks for St. Patrick's Day, and hopefully some green with the arrival of Spring.

On March 4, we will celebrate Dr. Seuss' birthday. Please have your child wear a "Funny Hat" that day. We will be doing a lot of rhyming!

St. Patrick's Day and the arrival of spring should bring more surprises.

Our work will continue with learning to recognize, name and print the alphabet Hh, Ee, Ff and Ss along with their sound.

In math, we will work on printing and recognizing the numerals 16, 17, 18 and 19. We will also practice printing and recognizing the number words.

At any time we will gladly accept donations of disinfectant wipes, 3-5oz. plastic cups, and brown paper bags for use in our classroom. Thank you.

Sincerely,  
Sue Kulasa and Jill Langlais
