Classes Resume

Dear Parents:

Thank you for all the Valentine treats! In February, we practiced first and last names, addresses, and telephone numbers with the children. We encourage you to reinforce these at home. The children should know these three items when entering kindergarten.

March offers many opportunities to cover a variety of topics. It is also the month that we will be seeing a lot of the color green—green eggs and ham, green shamrocks for St. Patrick's Day, and hopefully some green with the arrival of Spring.

On March 11, we will celebrate Dr. Seuss' birthday. Please have your child wear a "Funny Hat" that day. We will be doing a lot of rhyming!

St. Patrick's Day and the arrival of spring should bring more surprises.

Our work will continue with learning to recognize, name and print the alphabet Hh, Ee, Ff and Ss along with their sound.

In math, we will work on printing and recognizing the numerals 16, 17, and 18. We will also practice printing and recognizing the number words.

At any time, we will gladly accept donations of hand sanitizer. Please if you consider this donation, select Germ-X or Purell, as the newer marketed ones are extraordinarily strong smelling of alcohol and we cannot use that on the children. Plastic cups, and brown paper bags for use in our classroom are also welcomed. Thank you.

Sincerely,
Sue Kulasa and Jill Langlais
