Classes Resume

Dear Parents:

CURRICULUM NEWS:

This month's themes include: Space, Pets, Weather, Spring/Baby Animals, and Easter. The signs that Spring is coming are very welcoming! Watch out for that rascally little leprechaun who always shows up in March with tricks up his sleeve.

Color Days: March 5 Wear black

March 17 Wear green or shamrocks

ENRICHMENT ACTIVITIES

The class has started recognizing their lowercase names and telephone numbers. We do each, one day a week, so continue to practice at home. We will start adding sight words, beginning with color words then we will move on to common opposite words like on/off, hot/cold, in/out, etc. This month's letters include S, T, U and a letter review! Yay! Along with the teen numbers, the concepts of more and less will be addressed. Additionally, the ideas of rhyming, opposites, comparing, and sequencing will be introduced. If your children come home singing new songs, embrace it! They are working hard for graduation.

Thank you,

Denise Seneca & Tammy Helman
