CURRICULUM NEWS

November is a month of thanks, remembrance, and preparation for colder weather. So it is very fitting that our themes include; Fall and Leaves, Early Americans, Harvest and Turkeys.

Your children will have fun learning all about the changing weather, the first people to celebrate Thanksgiving and foods that are grown and harvested.

Please wear these colors:

Friday, Nov. 13---Brown

Friday, Nov. 20--Purple

ENRICHMENT ACTIVITIES

Hopefully you have started noticing positive progression in your child's academics. We have and are very proud of them! They have been working hard at tracing and copying letters, names and numbers. Every child learns and develops at a different pace. When we feel a child is ready to move forward with a skill, we gladly enrich him/her with more challenging activities. If you ever have a question or concern, never hesitate to talk to one of us. Look for triangles anywhere you can as that is the shape of the month. Letters studied this month are H,I and J. Numbers include 7,8, 9. We work hard to create and implement learning centers that are based on the theme and any academic concepts studied that week. It is a way for the children to work in small groups to learn, play and socialize appropriately. Ask your child everyday what they are learning.

Donations: We would appreciate it if each family would bring in a package of 3 ounce Solo or plastic cups, a can of child safe aerosol disinfecting spray or a box of disposable child masks. **Thank you for your help!**

FLU & COLDS UPDATE:

We are doing everything we can to prevent the spread of the flu and colds. A child must be free of a fever for 24 hours before they can return to school. We will call you if we feel that your child has a fever.

We want to take this time to wish all of our fabulous families a wonderful and safe Thanksgiving!

GIVING TREES

At Cross Roads Preschool we like to encourage children sharing in everyday life. In the spirit of the season, we are asking the children in each class to bring in different items that our Food Pantry has identified in their Christmas Dinner shopping list. As a preschool we will first work separately to bring item in and then as a school we will deliver the food to the food pantry. It is a great way for the kids to see how we individually and collectively can make a difference.

Your class is asked to bring all or any of the items below:

- Jello/Pudding
- Stuffing
- Coffee/tea/hot chocolate

❖ **Yoga Classes**

Stressed? Come breathe, relax and take a minute for yourself. Mondays 7:00pm in Fellowship Hall. \$7/class. Come when you are able.

❖ **THANKSGIVING SERVICE**

If you are looking for a place to give Thanks on Thanksgiving morning, we invite you to the Community Thanksgiving Service at the Old Stone Church in Monroeville, at 10am. Come as you are!

❖ **GIFT OF THE 4TH WISEMAN**

A wonderful opportunity to celebrate the spirit of giving to those less fortunate this holiday season. Gift list will be posted in the church Entryway starting 11-9.

Collection will be 12-3
